

# Learning and Growing Together

## We share our Christian values within our communities

Christian values underpin our whole school ethos and we focus on one of these values each half term. Our close links with St Chad's Church, St Cuthbert's Church and the Methodist Church are crucially important to us. Father Darryl and Reverend Mike join us for collective worship weekly and join in many of our community events. Our schools are at the heart of their communities and we are proud of our close connections. We enjoy learning about and deepening our understanding of different faiths and cultures.
