

**The Federation of Fountains Earth and St
Cuthbert's C of E Primary Schools**
'Learning and Growing Together'

Home School Agreement

Our federation is committed to providing every child with the best education possible. In order to succeed it is essential to have a strong working relationship between our pupils, their parents and the school.

This home school agreement outlines the commitment needed from our school, the pupils and parents to achieve this relationship and ultimately for the children to achieve the best possible outcomes both personally and academically.

School

Our Motto 'Learning and Growing Together' provides the framework for education in our federation.

Learning

We develop a lifelong love of learning
We take pride in everyone's achievements and
successes

Growing

We encourage and embrace challenge
We learn to make responsible choices and become
independent

Together

We share our Christian values within our
communities
We nurture and care for each other

School

In order to achieve this we do our best to:

- Treat all children fairly, recognising their individuality and needs.
- Create a safe and supportive environment physically and emotionally.
- Be calm and consistent in our manner with the children.
- Build children's self-esteem and respect the rights of the child.
- Provide a high quality curriculum that challenges, interests and engages children.
- Encourage children to work hard and behave well.
- Share information with you about your child and keep you informed as to how your child is getting on.
- Inform parents if there are any problems concerning your child's attendance, punctuality, health, behaviour or learning.
- Promote and encourage a healthy lifestyle including physical exercise and healthy eating.
- Set home learning which reinforces skills learnt at school.

To help our child at school we will do our best to:

- Work in partnership with school in the best interests of our child.
- Encourage our child to do their best and to behave well in school.
- Take an active interest in our child's learning and build their esteem through this.
- Regularly share books at home with our child.
- Ensure good attendance, prompt arrival and collection from school each day.
- Contact the school by 9am if our child is absent.
- Make sure our child attends school in good health with adequate diet, exercise and sleep.
- Encourage our child to be properly equipped for lessons such as PE, swimming and music and to wear school uniform.
- Read and where necessary return letters promptly.
- Keep school informed of any concerns or problems which might affect our child in school.
- Attend parent's evenings to discuss our child's progress.

To help myself at school I will do my best to:

- Work hard and try my best. Allow others to do the same.
- Read every day and complete my homework.
- Be kind, helpful, respectful and polite to everyone.
- Follow our class rules.
- Walk quietly and sensibly whenever moving around the school building.
- Keep my hands and feet to myself.
- Follow instructions the first time.
- Take good care of the equipment, the school building and living things.
- Dress smartly in school uniform.
- Talk to an adult if I am unhappy about something or need help.
