Open the Book

It was good to welcome back 'Open the Book' to Collective worship last week where they told us the story of the wise men which Christians remember at Epiphany.

Year 3 and 4 have been learning how to use an atlas. We learnt to use the index first to find the country/city and then use the page number and grid reference to find the place.

MSA relief vacancy

If anyone would be interested in a relief Midday Supervisor position please call at the school office for details. Initially it is to cover absence but there will also be a period of maternity cover in the summer term.

Royal Hall Concert

Last week Leroy Johnson, a gospel singer, came to school. He practiced the songs with the children which will open and close the charity concert at the Royal Hall in March. One of the songs we are going to sing is called 'Save the Children', which he has released himself, and all proceeds will go to the charity. It was an entertaining afternoon of songs, groovy moves and games.

Snow Days!

It was a snowy scene in the empty playground yesterday. Due to the poor road conditions we unfortunately had to close the school, as staff were unable to get drive in. Without core members of staff the school cannot run for safety reasons. Hopefully many of you were able to make the most of the snow and perhaps enjoyed a day of sledging! Please can we remind you that on these days a text message will be sent as soon as the decision is made to close, we also contact local radio stations and post information on the school website and Facebook page. Please keep your contact telephone numbers up to date with the school office—thank you.
