Skills and Talents

We are really interested in hearing about the skills and talents of our parents and families so that we could perhaps utilise them when working with children on particular themes. For example, a Fountains Earth parent is a Geologist and so came in very handy when studying rocks and fossils and Dr White was a great help when Early Years were learning about doctors! Please would you email us on admin@st-cuthberts.n-yorks.sch.uk and let us know if you have an interest (subject specific, arts, crafts, music etc) or your line of work may be of support to the curriculum. We would like to capitalise on the range of skills we have in our community!

This week Year 1/2 have been busy designing and making warrior masks with Miss Johnson. We used lots of resources including pasta, pipe cleaners and straws. They will be on display in our entrance soon.

Vacancy—Clerical Assistant

Vacancy details are available on the NYCC vacancy page and also on our school websites. We require a Clerical Assistant to work Mon—Fri am (8.30—12) at Fountains Earth and 1—3 afternoons (to be determined) at St Cuthbert's. If you have any questions regarding the position please contact A Lumley, Business Manager on 01423 711407.

Thursday 15 March—KS2 to Methodist Church Easter Trail

Friday 23 March—Red Nose Day

—Royal Hall Concert

Thursday 29 March—Easter Service at church 2.00

—break for Easter

Monday 16 April—return after Easter

Nursery—September 2018

If you have, or know someone that has a nursery child who will be joining our nursery in September, please call the school office on 01423 711407 to arrange a visit and pick up admission forms.

Children in Reception and Nursery are learning about buildings and materials. They have been using the new Feely Tubs to describe how materials feel without telling their friends what object they think is in the tub. They have learned new vocabulary such as 'bristly', 'pliable' and 'tacky'.

Inspire Afternoon

Year 3/4 invited parents in to class on Monday afternoon to enjoy a reading session. Children and parents enjoyed listening to different reading styles and had lots of fun making Storey Cubes.
