Dear Parents

We are delighted to finally be able to share the outcome of our recent Ofsted inspection at St Cuthbert's. The staff, governors and I are extremely proud of the children who impressed the inspector. As St Cuthbert's was previously graded as 'good', the one day inspection confirms that this is still the case and the letter outlines the findings.

Our staff team would like to thank parents for their positive contributions on parent view and in direct conversation with the inspector.

Our Federated Governing Board are in the strong position of forging forward with two schools, both inspected in 2017, both with good outcomes. From this point onwards we are working together towards outstanding – a bar that is constantly being raised but one that is most definitely achievable. We have the staff, governance, parents and children to do it.

Please share the outcome far and wide. I will be doing so in the press, on the website and we will have a banner produced for the front of school for prospective parents to see. Let's enjoy this second half term and the run up to Christmas post Ofsted. We have a wealth of experiences planned for the children.

Have a wonderful half term break.

Yours sincerely

Miss Lynette Brammah
