Friday 26th January 2018

Last Wednesday a team from Year 3/4 took part in the sports hall athletics competition at Nidderdale. We had great fun doing lots of races, throwing and jumping events. We also finished a very close second just two points behind the winners. Well done to the team you were brilliant.

Year 1 and 2 have been designing their African warrior masks. We are looking forward to making them next week. Watch out for the finished products up on display soon.

Congratulations to Jess in Reception for completing her 'England' maths passport and good luck flying off to 'Scotland'!

Vacancy

After 8 years of dedicated service, Mrs Alison Walker, our FEL administrator, will be moving on to pursue new challenges closer to home. We will therefore be advertising the post in due course via the North Yorkshire website. If you, or anyone you know, might be interested in the post we would welcome their interest.

Emergency Access to Tiddlywinks

Parents are reminded not to block the large gate that allows emergency vehicles onto the playground and through to Tiddlywinks. This access needed to be used recently and fortunately the gate was clear. Since then I have noticed the gate being blocked - particularly for drop off / pick up from breakfast and after school club. Thank you for your vigilance in this matter.

Royal Hall Concert

Tickets for the Royal Hall concert are now on sale via Harrogate box office—see overleaf for details. The Year 5/6 federation band will be playing and sing club will be singing. We will also be taking part in a mass finale song with all schools involved. It should be a great night and all proceeds go to save the children.

Panto 2018

We are looking ahead at the possibility of running the federation panto visit again in December this year. We feel that the visit together as a federation was a huge success and enjoyed by all. If it goes ahead the Friends have agreed that they would cover the cost of the transport if parents were able to pay for the ticket. The cost of the tickets are £10 per pupil and before these are booked we wanted to offer you the opportunity to let us know your views, and if you would be happy to fund this. You can let us know by either calling the office 01423 711407 or email admin@st-cuthberts.n-yorks.sch.uk.

To begin our fractions topic Year 3/4 created lots of different fractions using maths resources.

Don't forget that it is the Friends Winter Disco this evening in the school hall 6.00—7.30pm.
